Lauren Grodstein. Alabama has landed on Arlene's Chicago doorstep in the form of her high school archenemy, a young woman who wants to find the golden-haired football hero who disappeared during their senior year. Billie Letts. Somehowinthemidstofallthis,Lenamustfindredemption.Before we've even finished the first page of this most unladylike romp through the Southern gothic hymnal, we learn that Arlene left podunk Possett, Gods In Alabama, a dozen years earlier after secretly murdering the high-school quarterback and kicking his body deep into the kudzu. We read this one a few years ago for my book club and it was one of the more popular picks.
