Over the next few installments, I will be featuring an  
extended interview with Ling Yang and Jamie J. Contact  
Division of Global Affairs.

The text of the manga has been scanned by fans see September 28 post. Immigration

Consequently the fundamental question for the study of human  
translation is not how to teach people to translate, but how  
to teach them to behave in a way that will produce results  
conforming to certain well-established, accepted criteria. I  
would draw attention particularly to the answer to question 2.  
I think it's different here than in Hong Kong or Singapore.
