The German philosopher is a big hero among right-wing identitarians and other nationalist nostalgics who worship his The Decline of the West. Yet he came to Cologne to speak about the novel.

Contrary to the book, the film does not have cultural pessimism as a main theme. Furthermore, a number of materials can be used as a conformal coating, such as acrylics, silicones, urethanes and parlyene. The pursuit of pleasure prioritizes the self and, in the process, promotes separation and dispersal. He supplies something of a corrective to current dishonesty, even if his propositions are unsustainable.
