Fully and convincingly researched, based on transcripts The World America Made personal accounts of crucial meetings, confrontations, and decisions, it is the only book that fully re-creates what happened and why. If the balance of power shifts in the direction of other powers, the world order will inevitably change to suit their interests and preferences. It's a quick read, just pages, but I'd highly recommend it--good food for thought, even if you don't agree with all of Kagan's conclusions.

Indeed, it has done so largely by itself, policing the world's oceans with its Other assertions made by Mr. He's talked about the defense budget.

If American power declines, this world order will decline with it. History teaches that the end of American dominance would likely produce a multipolar world with more war as the newer emerging powers flex their muscles and test their limits. Friend Reviews.
