How do they seek to meet the challenges of democracy, the concept of which should not be restricted to institutional politics? It is a conceptual tool that has been of great help me in group facilitation and positive management of conflicts, both online and in assemblies as it allows overpassing tensions among positions that seem irreconcilable and developing an empathy based on mutual understanding. Taiwan, ROC. Findushere:. San Marino. Contrary to the common view that globalization undermines social agency, 'alter-globalization activists' or have contested globalization in its neo-liberal form and have developed new ways to become actors in the global age.
