A Revolutionary Idea for Your Blog

The Blogging Revolution is a colourful and revelatory account of bloggers around the globe who live and write under repressive regimes-many of them risking.

The Blogging Revolution: Government in the Age of Web

This, at least, is the idea: a publishing revolution more profound than anything since the printing press. Blogger could be to words what Napster.

The financial crisis opened the door for a bold, progressive social movement. But how often do we hear these voices in the west?

As of The Blogging Revolution there are even limited instances of political activism. Almost half of bloggers here are women, but Loewenstein is unable to meet with any due to the almost segregated society. This book provides a fantastic taste of the blogging communities within certain repressed nations.

Disaster has become big business. Mark rated it really liked it Aug 06, Now we haven't seen or read it, and we're not in the business of reviewing plays, so we won't, but given what's been happening at Fairfax lately, you'd have to say it's timely.
