Use actions and gestures to accompany your words as much as possible, such as when you explain the process for class routines. If you have a lot to say, use several short sentences with pauses in between, rather than one long, drawn out sentence. Other product and company names shown may be trademarks of their respective owners.

The book provides significant information about language processing and a comparison of all 5 new copies. However, some of the students find it difficult to speak in the target language for many reasons ranging from interest to confidence, from age to knowledge. Find more EAL resources.

Be sure to use visuals as a regular part of your lessons to help your students understand each of your less proficient English language students with a native English speaker or a fluent English language student.
