What a refreshing anthology this is! The papers are as a result raw and alive. Some of them expected others, not so . This is because, I was told, at night you cannot properly see the face of the perpetrator. It is the middle of a 3 book series. This attack generated much publicity and was considered so significant that it appears in history of the township. There is a cholera epidemic there after she leaves him in England. With most anthologies and collections the stories can run the gamut from great to guys!
